**Subject: Triton Containers Trucking System**

Dear Avi,

We are delighted to inform you that the Triton - container locating system is:

1. Successfully completed of all the various environmental tests required for the EN50155 Railways Applications and a prolonged road test for over 5 weeks and 1,500 km.
2. Approved by Lloyd's insurance as a monitoring system for "High Valued Cargos".

Kindly find enclosed endorsement where the Triton is mentioned.

In light of the above, we can start work on our project, and we will place our order in the following days after receiving an order from FELB.

Sincerely,

Ami Tuval
